

## JOB ANNOUNCEMENT

Announcement #:	VAC-CPL201812-INIT
Initiated by:	M-CI/EAVWEB

### Introduction

Eastrise Aviation was set up to provide aviation training (primary flight training) in Malawi. Our goal is to help as many Malawians and other citizens alike to realize their dream of becoming a pilot without inflating costs or compromising safety and quality. We are seeking to employ a pilot who will double as a flight instructor for *ab-initio* student pilots.

### Knowledge, Skills and Abilities Required

- Valid Commercial Pilot's License (CPL) with glass cockpit experience
- Not less than 250 hours total flight time
- Certified Flying Instructor (CFI) with a C172SP type rating
- Excellent time management and supervisory skills are required
- Advance level knowledge of Microsoft Office applications
- Ability to detect errors honestly and with integrity
- Ability to follow, apply, interpret and execute instructions and/or guidelines
- Pleasant personality, team spirit and the ability to relate to social and corporate contacts
- Ability to meet schedules and deadlines of the work area with integrity
- A valid Driver's License coupled with more than 3 years accident-free driving is desired although not a limitation
- Non-smoker and without a history of problematic usage of psychoactive substances (alcohol included)

## The following are the key results areas

- Operates the Eastrise Aviation aircraft and transports clients, staff and other authorized personnel to destinations as instructed in writing by the Operations Manager.
- Transports cargo as requested.
- Provides ground school and flight training to authorized students in Malawi and ensures that logbooks are filled accordingly.
- Conducts all necessary checks (within the limitations of a pilot) on the aircraft and reports any defects, accidents or incidents in writing to the CEO and/or Operations Manager.
- Reports to the management on a pending scheduled service, reports accidents or incidents as required.

Interested candidates should submit application letters, copies of qualifications and certifications by email to: [jobs@eastriseaviation.com](mailto:jobs@eastriseaviation.com)

Eastrise Aviation is an equal opportunities employer. We are a non-smoking environment.
